ABOUT ME!

INFORMATICS

I was first introduced to the field at the 2018 UW WiSE conference. I became intrigued by how people in Informatics work to better the world using technology and information. I am grateful for the relationships and opportunities that the iSchool has provided with me thus far, and hope to give back.

LEADERSHIP

- Helped start a WiSE club in high school
- Co-captained for both high school and club swim team

WINFO... SO FAR :)

- Took part as a Hackathon Committee member

OTHER

- I enjoy listening to music and watching sports!
- Bilingual: English and Japanese
