

ASHLEA LAU

WINFO DIRECTOR OF PERSONAL RELATIONS

About Me

As a current WINFO First Year Rep, I've had the amazing opportunity to shadow the current officers and gain invaluable experience on how the team operates. I believe that technology is the future, and I am passionate about promoting diversity and inclusion, both within the iSchool and the tech industry.

I am running for the WINFO Director of Personal Relations position. Through this role, I hope to utilize social media to raise awareness of diversity in tech, reach a wider audience, and keep current members informed on what is going on.

I want to showcase the impact that WINFO has, with a touch of style, creativity, and consistent aesthetic. My goal is to encourage women and other marginalized groups to get involved within the community.
